

School Travel Policy	
Responsible Post	Headteacher and Lead Member of School Road Safety Team
Responsible Committee	C&S
Review Schedule	3 years
Review Date	November 2023
Next Review Due	November 2026
Changed	Yes

We actively encourage our pupils and staff to walk, scoot or cycle to school as they:

- keep us fit and healthy;
- help our pupils develop road safety skills which will keep them safe as they travel further afield and more independently;
- help keep our local air clean, and our streets free from congestion;
- are life skills that everyone should be able to benefit from.

What we do:

- We use Modeshift STARS to update and monitor our school travel plan;
- We promote safe and active travel as much as possible by using our noticeboard, displays, newsletter and website at www.manorinfant.co.uk
- We encourage all members of our school community to walk, cycle or travel by public transport for the journey to school. To support this we provide:
 - Cycle training (as part of our Healthy Schools Week)
 - Scooter sessions (in Year R)
 - Pedestrian training (when we walk around the locality)
 - Cycle parking
 - Scooter pod parking
 - Pegs for helmets/equipment
- Local school trips are made on foot if the destination is close by;
- We let all new pupils and their parents/carers know that we promote healthy and sustainable travel to school before the child starts at our school;
- The school takes part in the HCC 'Be Bright Be Seen' week, 'Walk to School Week', 'Walktober' and the 'Scooter Challenge' annually.
- We support Hampshire's Parkwise Promise. For those parents who wish to use our 'Park and Stride' facility we encourage parents to fill in a Parkwise Promise form so that we can issue a sticker they can display in the windscreen of their car when parking at St Bernard's Church.

What we ask of parents:

- Please encourage your child(ren) to walk, scoot or cycle to school whenever possible;
- Ensure your child(ren) walk or ride sensibly and safely on the way to and from school, and to push bikes and scooters on school grounds;
- Ensure that bicycles and scooters are roadworthy and properly maintained. If in doubt consult a qualified mechanic;
- Consider providing your child(ren) with a cycle helmet;
- Ensure your child(ren) can be seen by fitting lights to their bike by supplying them with high-visibility clothing;
- Ensure you have appropriate insurance cover for your child(ren)'s bicycle or scooter as the school is not liable for any loss or damage to cycles or scooters on the premises or being used on the way to or from school;

- If you travel by bus, can you get off the bus at least one stop early and walk the last part of the journey?

We understand that sometimes there is no alternative to driving to school.

- Where a car must be used we ask parents to drive only part of the way, and drop their child(ren) off away from the school so that some of the journey can be walked or scooted;
- If you do have to drive your child(ren) and stop in the near vicinity please do so legally, safely and with respect for our neighbours and local residents
 - It is not acceptable to park or wait on double yellow lines, on the school zigzags or across residential driveways for any period of time.

Please note that the decision on whether a child is competent to cycle or scoot to school is for the parent(s) or carer(s) to make. The school has no liability for any consequences arising from this decision.

What we ask of pupils:

- Ask your parents if you can walk, scoot or cycle to school;
- Behave in a way that shows you and the school in the best light whether walking, scooting, cycling or using public transport;
- Ride or walk courteously, sensibly and safely on the way to and from school;
- Push bikes and scooters on school grounds;
- Consider wearing a cycle helmet;
- Make sure you can be seen by using lights in the dark or bad weather and by wearing high-visibility clothing.
