An additional open ended evaluation is included below for you to make more specific or general comments about what you think is working well and list ideas for further improving our school.

What is good about our school?

- My daughter is extremely happy at Manor and I feel that it is the best infant school experience I could have possibly wished for her as her mother.
- My son has only been at the school a few weeks but has settled really well and the school have been instrumental in making him feel happy there.
- It is a well-run, friendly, supportive and caring environment. I believe the core values love, trust and truth are really followed and this makes the school such a happy environment for my child to learn. My child who was not the most cooperative at home to allow me to teach her has improved and learnt so much over the last year which I cannot thank everyone at school enough as you have really helped and developed her learning and now she is more willing to try at home.
- We could not wish for a better learning environment for our daughter. She is happy, learning a lot and developing so well. She also gets to explore all the things she enjoys and new things. Thank you so much to everyone at Manor for providing a fantastic first year of my daughter's school journey!
- Lovely friendly atmosphere where all staff and children are happy and welcoming.
- My child is happy.
- The staff are all very welcoming, the communication to the parents is brilliant, and the range of activities and topics they learn at school is brilliant.

What could we do to improve our school to make it even better?

- Nothing, it's perfect.
- I believe with the funding that you receive you all do the best job possible.
- Give more child specific feedback/copy of targets for parents to work with.
- Maybe a wider range of after school clubs?
- Extend it up to year 6!
- Nothing, fantastic school.
