Really happy with the school, teachers etc. Mrs Hale you should be proud of your lovely school, thank you from the boys and us.

Concerns have been dealt with however we feel the children water intake; that we have previously raised isn't always followed through, our child's bottle is never really empty, especially in this hot weather.

My son has mentioned he would like harder work

I don't feel my child is challenged as much as she could be. This has been raised but don't feel the teacher progressed my child any further.

An additional open ended evaluation is included below for you to make more specific or general comments about what you think is working well and list ideas for further improving our school.

What could we do to improve our school to make it even better?

- Nothing – Besides run it up to Year 6
- A few more updates as to how my son is getting on, even an email every term outlining how he is doing and if he needs to work on anything in particular. Other than that I don't think there is anything that would improve the school to me.
- Craft style after school clubs.
- Targeted lessons for individual development
- Reach out to parents more
- Hearing more about my child's progress
- I have not found Year 1 as engaging as my other comment I wish there was more opportunity to challenge.
- Make it a primary school!
- More basketballs for break times.
- Make into a primary
- Offer another forest school club.
- All good.
- As an addition to the topic overviews, it would be nice to receive our child's targets or levels at parents' evenings that we can help work towards them at home.

Any other comments

- We love Manor and couldn't have chosen have a better school for our boys to begin their education journey.
- After school clubs are fab great variation and times.
- Thank you.
- We as a family love manor which is why we have chosen to send our second child here, rather than another local school. It is small but mighty where the children flourish and develop at a great rate.
- Manor is a wonderful school.
- I have noticed some of the same children are chosen to attend special events or represent at school and often appear in excess on the Facebook page, I would like to see children chosen at all levels not just those at the upper level.
- Such a lovely school. My daughter has done so well her and will miss Manor when she leaves.
- My child has loved her time at Manor, never once said she doesn't want to come to school. Made lots of friends, goes to school happy and comes home happy. She will miss manor.
- Please become a primary school
